

Mentor Coaching

Investing in your Future

What we offer

Advance Global Coaching seeks to advance the Kingdom of God through providing professional coaching for the missions community. It is our desire to encourage and equip those called to coach in the missions context. We offer an **affordable personalized mentor coach experience** that **meets ICF standards**. You have spent many hours in coach training and in coaching your clients. Now you are ready to take the final steps toward ACC or PCC or you are renewing your credential. Let us help you **reach your goal**.

How we do it

Our mentor coach package **generously** provides:

- Ten 90 minute individual sessions, conducted via telephone or Skype
- Focus on the ICF Core Competencies, highlighting your desired areas of growth
- Valuable opportunities to practice coaching and experience being coached
- A Certificate of Completion at the end verifying the required 10 hours of mentoring for your ICF credentialing application

What Clients are saying

"As an aspiring coach, mentor coaching gave me the tools, the confidence, and the energy to persevere through the process. It is exciting to grow in my effectiveness to help others go farther faster."
Billy Nolan, Mission Strategist at globalX, North Point Ministries

"Mentor Coaching made me more attuned to the value of coaching because I experienced it! Sherri's the best I know. Thanks a ton for spending these weeks mentoring me, Sherri!"

Jim Erickson, Training and Equipping Director at globalX, North Point Ministries
